

# Course Notes for EE227C (Spring 2018): Convex Optimization and Approximation

Instructor: Moritz Hardt

Email: [hardt+ee227c@berkeley.edu](mailto:hardt+ee227c@berkeley.edu)

Graduate Instructor: Max Simchowitz

Email: [msimchow+ee227c@berkeley.edu](mailto:msimchow+ee227c@berkeley.edu)

April 29, 2018

## 4 Some applications of gradient methods

This lecture was a sequence of code examples that you can find here:
